Circular

Energy Savings

All are informed to ensure that lights, fans and ACs power is off when office / laboratory/ lecture halls are not in use.

Simultaneous increased load may disrupt regular power supply to the campus. All directors are expected to monitor and enforce this in the respective building / premises.

To,

1. All Directors
2. Office Staff

Circular

Parking in the Campus

All are requested to ensure that their students don't seat in parking area on vehicles and inform the students to park their vehicles properly in the campus. Please ensure that students must obey the instructions of security staff for parking vehicles. Playing loud music on personal gadgets is prohibited in any area of the campus.

Please coordinate at the earliest and do the needful.

To,

1. All Directors
